COMMENTS

SUGGESTED FOR:

Recommended for hard surfaces like tile, VCT, laminates, and factory finished hardwood floors. Not recommended for hardwood floors that are not factory finished.

Excellent protection for surfaces during moving, remodeling, parties, plumbing or electrical work, and for temporary protection of traffic areas, model homes, or any other application where temporary protection of flooring is required. Floor Shield is also appropriate for temporary protection of tubs and countertops, when a medium tack product is ideal.
